AUTUMN WINTER 2024

Introducing the Jost Autumn Winter 2024 Collection: a fusion of elegant classicism, minimalist design, and a passionate touch. Refined color palettes, subtly sophisticated: rich and warm Wine, timeless Porcelain, a contemporary Mid Grey, and the essential serene Pearl Glow.

A highlight of our collection is the SENJA series, embodying strong femininity with distinctive PU Bubbles-Relief, presented in gentle hues. This series is designed to make a statement while maintaining an air of sophistication. For those who appreciate the timeless allure of black, our ARVA series is the perfect match. Crafted from high-quality Nappa leather with a subtle sheen and a pleasing tactile experience, these pieces feature clean and reduced cuts, exuding elegance, timelessness, and a touch of modernity.

We hope our beautiful Winter Collection brings you joy and wraps you in a warm embrace.
